

Stefano Buono

CEO, Newcleo Ltd, London, United Kingdom

Stefano Buono is CEO of UK-headquartered nuclear technology company *newcleo*, which he co-founded in 2021.

A nuclear physicist and successful entrepreneur, he started his career working for 10 years with Nobel laureate Carlo Rubbia at CERN and CRS4, in the field of Accelerator Driven Systems and nuclear waste transmutation.

In 2002, he founded Advanced Accelerator Applications, listed on NASDAQ until its acquisition by Novartis for \$3.9 bn.

Stefano is also the Chairman of various organisations, and the founder of Elysia Capital, his single family office.

He is the author of numerous scientific publications, and received his Master's degree in physics from the University of Turin.
