

Kenneth L. Peddicord

Director, Nuclear Power Institute (NPI), United States

Kenneth L. Peddicord was first appointed to the United States Nuclear Waste Technical Review Board by President Barack Obama in 2012, and reappointed in 2014.

Mr Peddicord is Director of the Nuclear Power Institute (NPI) and a professor of nuclear engineering at Texas A&M University, where he has been a member of the faculty since 1983. At Texas A&M University, Mr Peddicord has served as Head of the Department of Nuclear Engineering, Associate Dean and Interim Dean of the College of Engineering, Associate Vice Chancellor and Vice Chancellor of The Texas A&M University System for Research and Federal Relations. Since 2007, he has been the Director of NPI, a joint institute of the Texas Engineering Experiment Station and Texas A&M University.

Mr Peddicord has published more than 200 articles, papers, and reports. His technical interests include nuclear engineering education, human resources and nuclear workforce development, and advanced nuclear fuels.
