The Secretariat of the International Atomic Energy Agency (IAEA) presents its compliments to the IAEA's Member States and has the honour to draw their attention of the forthcoming **Workshop on Civil Liability for Nuclear Damage** to be held on **14 May 2018** from **10 a.m. to 4 p.m.**, at its Headquarters in Vienna, Austria, in **Conference Room C3** of the Vienna International Centre (VIC).

The purpose of the workshop is to provide diplomats and experts from Member States with an overview of the international legal regime of civil liability for nuclear damage. To this end, an introductory presentation on the international legal framework for nuclear liability will be delivered, followed by more specific presentations on the basic principles of nuclear liability, supplementary compensation for nuclear damage, insurance of nuclear risks, and the IAEA legislative assistance programme. There will also be a general discussion of topical issues of nuclear liability and, for this purpose, participants are encouraged to indicate topics that they would like to be discussed at the workshop.

The programme of the workshop, which will be held in English, is attached. Member States are invited to designate diplomats and experts who may be interested in participating in the workshop, and are encouraged to identify suitable women participants.

Unfortunately, the IAEA is not in a position to bear the travel and other costs of participants for this workshop. It should also be noted that compensation is not payable by the IAEA for any damage to or loss of personal property, and that the IAEA does not provide health insurance coverage for participants. Arrangements for private insurance coverage on an individual basis should therefore be made.

Designations should be submitted through the established official channels not later than **3 May 2018** for the attention of the Scientific Secretary for the workshop, Mr Andrea Gioia, Office of Legal Affairs, IAEA, Vienna International Centre, PO Box 100, 1400 Vienna, Austria (Tel.: +43 1 2600 21503; Email: [A.Gioia@iaea.org](mailto:A.Gioia@iaea.org)). Designations should also be copied to the Administrative Secretary for the workshop, Ms Mariana Stark (Email: [M.Stark@iaea.org](mailto:M.Stark@iaea.org)). The full names and complete contact details (including postal address, telephone and email address) of designated participants should be provided using the attached Participation Form.

The Secretariat of the International Atomic Energy Agency avails itself of this opportunity to assure the IAEA's Member States of its highest consideration.
