15:45–16:15	<p><b>IAEA Activities</b></p> <ul style="list-style-type: none"> <li>• Challenges in strengthening safety of nuclear installations globally <i>G. Rzentkowski, IAEA</i></li> </ul>
16:15–17:15	<p><b>Panel Discussion</b></p> <ul style="list-style-type: none"> <li>• Addressing challenges in establishing an effective regulatory framework</li> <li>• Considering safety as an essential condition for a sustainable and successful nuclear power programme</li> <li>• Responding to the globalization of nuclear safety in the early stages of nuclear power programme development <i>O. Lugovskaya – Belarus; H. Pauwels – European Commission; A. Przybycin – Poland; A. Ferapontov – Russian Federation, S. Burns – USA</i></li> </ul>
17:15–17:30	<p><b>Chairperson’s Summary of Session III</b></p>

## **IAEA Conferences and Meetings App**

The IAEA Conferences and Meetings App provides a one-stop access to information on the IAEA General Conference, the Scientific Forum and scheduled side events. The app also allows users to put together their own personalized schedule of events and activities related to the General Conference, as well as access to up-to-date programme information of related events. It also provides updates on the speakers' list for the Plenary and the starting times for sessions of the Plenary and the Committee of the Whole. Power point presentations that have been approved for public release can also be viewed through the app, which is available free for both IOS and Android devices.

The GC App is available for free download for android and iOS devices from:

Google Play Store (Android 4.1 or later devices):

<https://play.google.com/store/apps/details?id=com.superevent.iaea&hl=en>

iTunes App Store (iOS 7.0 or later devices):

<https://itunes.apple.com/us/app/iaea-conferences-meetings/id1033279470?mt=8>

There is no need to log-in with personal account to use the GC App.
