

**Founded on 28 May 2013 in Bouillon (Belgium)**

**Serves as a **platform** for exchange of information and networking for radon experts**

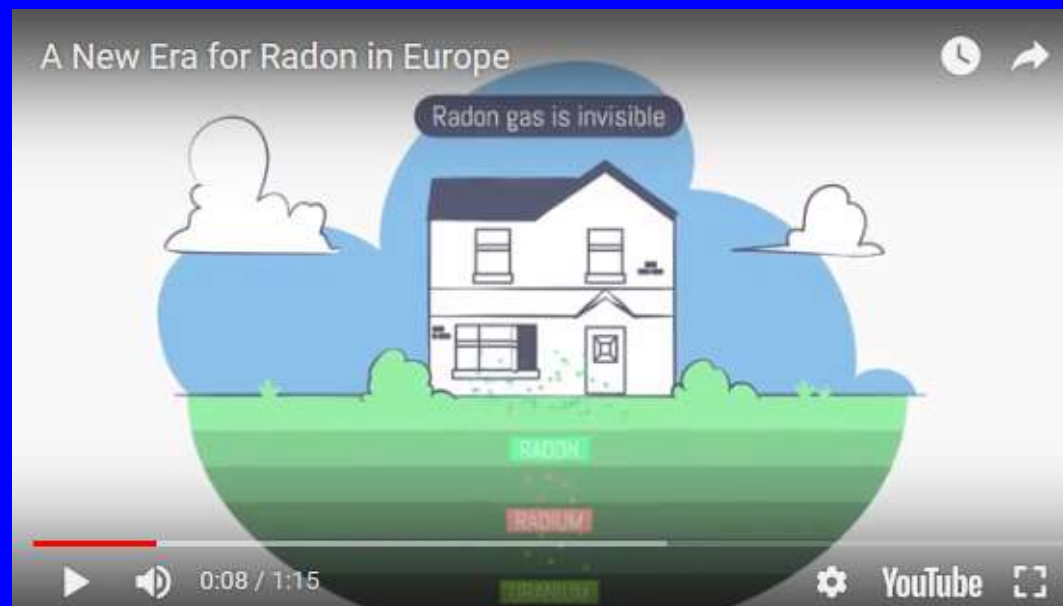

**Addresses **all radon sectors**:**

- **Companies (measurement, building protection);**
- **Research facilities;**
- **Authorities**

**The European Radon Association is a **non-profit international organisation** registered under Belgian law (n° BE549923484)**

# Objectives of ERA

1. To assist in reducing the health burden from radon in Europe (the overall objective)
2. To promote **public awareness** of radon:
  - European Radon Day (7 November, since 2015);
  - Radon video (see [www.radoneurope.org](http://www.radoneurope.org) or youtube, in several languages)

## Objectives of ERA

3. To provide a **communication network** for all radon professionals and other relevant groups
  - Website ([www.radoneurope.org](http://www.radoneurope.org))
  - Mailings to the members
  - Yearly workshops on specific radon topics
  - Newsletters
  - Promotion - Radon Week
  
4. To encourage the **development of quality standards** in indoor radon metrology, remediation, prevention and control technologies

## Objectives of ERA

5. To contribute to **education and training** in all aspects of the radon field and to assist in the organization of radon conferences
  - Training course in Ciudad Rodrigo, Spain, 2016 (organised by UC)
  - Training course in Lugano, Switzerland, 2018 (organised by SUPSI)
  - Journal of European Radon Association (JERA) [radonjournal.net](http://radonjournal.net)
  
5. To serve as a **pool of experts** and a **consultative body** to national and international agencies
  - Collaboration with IAEA: training, webinars
  - Financial support to ROOMS meetings

ERA is a **young association** – there is still a lot to do...

- strategy
- workplan
- membership
- website
- networking
- ...

**It is a great opportunity for all members to contribute to the shaping of ERA ...**

**For more information on ERA and on membership:**
