

Kristoff Muylle

Nuclear Medicine Physician and former President of the European Association of Nuclear Medicine (EANM), AZ Sint-Jan, Brugge-Oostende AV, Belgium

Dr Muylle completed his medical studies in 1999 and his training in nuclear medicine in 2004 at the Free University of Brussels (VUB) and started his professional career at the Jules Bordet Cancer Institute in Brussels. His work mainly focused on clinical and research activities related to nuclear medicine procedures in (haemato-)oncology with a specific interest in radioimmunotherapy and immuno-PET.

In 2015, he joined the clinical staff of the nuclear medicine department at the University Hospital of Brussels (UZ Brussel) and currently combines this activity with a position as Head of the Department of Nuclear Medicine at AZ Delta in Roeselare.

Kristoff Muylle was President of the Belgian Society of Nuclear Medicine from 2014 to 2016. He joined the Board of the European Association of Nuclear Medicine (EANM) as President-Elect in 2015 and served as EANM President in 2017 and 2018.
