

# Mingguang Zheng

**Chief Engineer for Nuclear Energy, State Power Investment Corporation,  
China**

Mr Mingguang Zheng has been honoured with the title of Design Master of the Nuclear Industry in China. He is also a member of the Nuclear Safety and Environment Expert Committee of China National Nuclear Safety Administration (NNSA)

As the Chief Designer of the National Science and Technology Major Project of Large Advanced Pressurized Water Reactor, he has not only determined the technology roadmap, but also worked on the establishment of design and R&D systems, and organized associated Chinese enterprises, institutions and universities towards self-reliance and innovative steps in the successful development of CAP1400/CAP1000 technology.
