

CONTENTS

Summary	1
The need for a holistic view on disease problems in free-range chickens	9
<i>A. Permin, G. Pedersen</i>	
Survey of the traditional poultry production system in the Bamenda area, Cameroon.....	15
<i>F.N. Ekue, K.D. Poné, M.J. Mafeni, A.N. Nfi, J. Njoya</i>	
Amélioration de l'environnement sanitaire de la volaille traditionnelle: cas de la Côte d'Ivoire	27
<i>(Improvements in health and management of family poultry in Ivory Coast)</i>	
<i>T. Danho, S.C. Bodjo, H. Adon, A. Kacou, E. Couacy-Hymann</i>	
Strategies for the improvement of rural chicken production in Ghana	33
<i>J.A. Awuni</i>	
Health and management improvements of family poultry production in Africa	
Survey results from Kenya	39
<i>S.W. Njue, J.L. Kasiti, M.J. Macharia, S.G. Gacheru, H.C.W. Mbugua</i>	
Aviculture villageoise à Madagascar: Productivité et situation épidémiologique	47
<i>(Village poultry production in Madagascar: Production characteristics and epidemiology)</i>	
<i>M. Koko, O.F. Maminiana, J. Ravaomanana, S.J. Rakotonindrina</i>	
Family poultry production in Mauritius: Problems and prospects	65
<i>V.S. Jugessur, M.M. Seenevassen Pillay</i>	
Health and management constraints to family poultry development in Morocco.....	73
<i>K. Faouzi, N. El Omari, N. Tmiri, T. Jaouzi</i>	
Village poultry production in the Sudan	87
<i>A.I. Khalafalla, S. Awad, W. Hass</i>	
Studies on the structure and problems of family poultry production in Tanzania	95
<i>H.M. Msami</i>	
Newcastle disease and infectious bursal disease among free-range village chickens in Tanzania	107
<i>M.G.S. Yongolo, A. Maeda Machangu, U.M. Minga</i>	
Rural poultry production in two agro-ecological zones of Uganda.....	117
<i>J. Illango, A. Etoori, H. Olupot, J. Mabonga</i>	
Improvement of health and management of family poultry production in Zimbabwe.....	137
<i>J. Nqindi</i>	
Comparative analysis of family poultry production in twelve African countries	143
<i>W.J. Goodger, T.B. Bennett, R.H. Dwinger</i>	
Experiences in the control of Newcastle disease in Mozambique	159
<i>R.G. Alders, R. Fringe, B.V. Mata</i>	
Strategies for vaccination of family poultry against Newcastle disease in Africa.....	167
<i>R.G. Alders</i>	
An ELISA for the detection of antibodies against Newcastle disease virus in African village poultry	174
<i>J.G. Bell, M. Lelenta</i>	
Farmer-driven research on village chicken production in Sanyati, Zimbabwe.....	179
<i>C.V. Pedersen</i>	
Poultry studies and anthropological research strategies.....	187
<i>M. Whyte</i>	
Further assessment of scavenging feed resource base.....	193
<i>E.B. Sonaiya, J.S. Dazogbo, O.A. Olukosi</i>	
Participants in the Co-ordinated Research Programme.....	201
