Announcement for the Young Professional Award

**International Conference on Accelerators for Research and Sustainable Development:
from good practices towards socioeconomic impact**

**IAEA
Headquarters
Vienna, Austria**

23–27 May 2022

Ref. No: IAEA-CN-301; EVT2005408

As part of the IAEA's mandate in line with its 'Atoms for Peace and Development' it supports countries in their endeavour to reach the 17 Sustainable Development Goals (SDGs) set out in the United Nations (UN) 2030 Agenda for Sustainable Development. In this context the IAEA will acknowledge the participation and contribution of university students, postdoctoral fellows and young professionals working in all areas of accelerator-based research and applications at the upcoming "International Conference on Accelerators for Research and Sustainable Development: From Good Practices Towards Socioeconomic Impact" to be held in Vienna, Austria from 23 to 27 May 2022.

All participants can enter this competition if they are under 35 years of age and their presentation has already been accepted for an oral or poster contribution by the technical programme committee.

They will need to complete the online registration form in order to confirm that they fulfil these criteria and that they are interested in entering this competition.

Finalists will receive an award certificate as well as an IAEA souvenir handed out on the final day of the event during the award ceremony.

Terms and Conditions

1. The competition is only open to participants attending the International Conference on Accelerators for Research and Sustainable Development who present their oral or poster contribution either in person or virtually.
2. Applicants in the "Young Professional" category must be between 18 and 35 years of age.
3. Only one entry is allowed per participant.
4. All presentations must be an original work by the applicant.
5. All presentations should be made available prior to the Conference and uploaded electronically as per guidelines and instructions available through the following link.
