

## **Omar Alonso Nunez**

**Uruguayan Centre of Molecular Imaging (CUDIM), Montevideo, Uruguay**

Omar Alonso Nunez is a Nuclear Medicine Physician with more than 30 years of experience in the field. His position at CUDIM involves the direction and implementation of the Centre's clinical research and development policies, objectives, and initiatives, and ultimately to make recommendations based on research findings and clinical performance. This work is co-ordinated with his position as a Professor of Nuclear Medicine at the University of Uruguay, where he has teaching responsibilities in different educational programmes.
