(b) Noting the opinion of the Board of Governors that the stage may be "reached between the second and third regular sessions of the General Conference"

when "the Agency's activities of an economic character develop to a point at which they would be of interest to" the Economic and Social Council of the United Nations, and

(c) Having considered the resolution of the 26th session of the Economic and Social Council, which inter alia "expresses the hope that, in order to assist the Council in the discharge of its functions in the field of co-ordination, the International Atomic Energy Agency, in accordance with paragraph 1(c) of Article III of the Agreement governing the relationship between the United Nations and the Agency will find it appropriate to submit annually for the use of the Council, at its second session each year, a report on matters within the competence of the Council",

1. Decides that a report shall be submitted each year to the second session of the Economic and Social Council on matters within the competence of the Council, and
