Proposed Executing Agency Agreement between the Agency and the United Nations Special Fund

Report of the Administrative and Legal Committee

Rapporteur: Mr. Helio F. S. BITTENCOURT (Brazil)

1. At its twenty-fifth meeting on 2 October 1961, the Committee considered under item 20(b) of the agenda the proposed Executing Agency Agreement between the Agency and the United Nations Special Fund.
2. The Committee had before it the text of a recommendation by the Board of Governors concerning the proposed Executing Agency Agreement referred to above, and a draft resolution on the Agency's relations with the United Nations Special Fund, to which was annexed the text of the proposed agreement.^{1/}
3. The delegate from the Soviet Union stated that, whereas he had no objection in principle to the proposed agreement he regretted that paragraph 3 of Article I referred to the application of safeguards which might cause reluctance on the part of some Governments to approach the Special Fund on projects which might be executed by the Agency. His delegation felt that no such reference to safeguards should be made. He also felt that co-operation with the Special Fund should not lead to increased costs for the Agency or an increase in staff.

4. The Committee unanimously recommended the following draft resolution for adoption by the General Conference.
