(GC(IX)/313)

THE AGENCY'S ACCOUNTS FOR 1964

Report of the Administrative and Legal Committee

Rapporteur: Mr. H.J. Brillantes (Philippines)

1. At its thirty-ninth meeting on 24 September 1965, the Committee considered item 17 of the agenda -- the Agency's accounts for 1964. The Committee had before it a report by the Board of Governors including a draft resolution^{1/}, the text of a letter from the External Auditor to the Chairman of the Board of Governors^{2/} and a report by the Director General on the accounts for the period ended 31 December 1964, together with related statements and schedules certified by the Auditor^{3/}.
2. In connection with the accounts the view was expressed that savings in the Regular Budget should not be distributed to Member States, but be placed in a special fund for the assistance of the nuclearly less-developed areas of the world. The question was, however, raised whether such a change in the Agency's present procedures^{4/} would be in accord with Article XIV of the Statute.
3. The Committee unanimously recommended the resolution overleaf for adoption by the Conference.
