3. It is foreseen that the Conference will take the matter of voluntary contributions to the General Fund in a plenary meeting at which the President will invite attention to the list of contributions pledged in advance and also inform the Conference of the sum finally pledged.<sup>1/</sup> In order to expedite matters, the Director General therefore greatly hopes that delegates will find it possible to make their Governments' pledges known before the Conference takes up this item of its agenda.

4. It is planned to issue revisions of the present memorandum for the purpose of keeping the Conference informed of the growth in the total value of the sums pledged. The delegates of Members that have not yet pledged a contribution to the General Fund for 1967 are accordingly invited to communicate their Governments' pledges as soon as possible to Mr. P. Singh, the officer responsible for keeping the speakers' list, at his desk in the Zeromoniensaal or, immediately before and during plenary meetings, in the Festsaal.
