(GC(XV)/454)

GENERAL DEBATE AND REPORT OF THE BOARD OF GOVERNORS FOR THE YEAR 1970-1971

The statements of financial contributions to the Agency annexed to  
the Board's report

Note by the Director General

1. The statements of financial contributions to the Agency which the Board of Governors has annexed to its report for the year 1970-71<sup>1/</sup> reflect the position at the end of the period covered by the report - that is, on 30 June 1971. For the convenience of the General Conference, the statements have now been brought up to date as at noon on 20 September 1971 and are reproduced in the Annex hereto.
2. From the second statement it will be seen that a number of Members are in arrears with their contributions to the Regular Budget for 1970 and earlier years. Those to which Article XIX.A of the Statute consequently applied at noon on 20 September are listed in the table overleaf.

a/ Article XIX, A reads:

"A member of the Agency which is in arrears in the payment of its financial contributions to the Agency shall have no vote in the Agency if the amount of its arrears equals or exceeds the amount of the contributions due from it for the preceding two years. The General Conference may, nevertheless, permit such a member to vote if it is satisfied that the failure to pay is due to conditions beyond the control of the member."

b/ 1969 and 1970 are excluded because they are the "preceding two years" in question. If the net payment indicated in column 15 is made the cash surplus for 1968 would become available to reduce the 1969 assessment so that voting rights would be restored.

c/ The amounts shown in this column represent the Member's share of the cash surplus in the Regular Budgets for 1967 and previous years.

a/ Pledge is less than the Member's Regular Budget assessment ratio (GC(XIII)/RES/257) applied to the target of \$2 million for voluntary contributions set by Resolution GC(XIII)/RES/254, para. 1.

b/ Pledge is less than the Member's Regular Budget assessment ratio (GC(XIV)/RES/267) applied to the target of \$2.5 million for voluntary contributions set by Resolution GC(XIV)/RES/265, para. 1.

c/ When making this pledge, the United States also pledged itself to make contributions in kind in the form of cost-free experts, equipment for technical assistance, laboratory equipment, special nuclear materials and Type II fellowships, to a total value of approximately \$750 000 for the year 1970 and \$760 000 for the year 1971.
