EXAMINATION OF DELEGATES' CREDENTIALS

Report of the General Committee

1. At its twenty-fourth meeting on 25 September the General Committee examined the credentials of delegates to the session, as provided for in Rule 28 of the Conference's Rules of Procedure.^{1/}
2. The delegate of the Union of Soviet Socialist Republics stated that "his delegation was against the recognition of the credentials of the Chilean junta which had overthrown the legal Government of Chile, usurped power in the country, was following a policy of oppression and had no right to represent Chile at the General Conference". The delegate of Czechoslovakia associated herself with these views.
3. The Committee found that credentials satisfying the provisions of Rule 27 of the Rules of Procedure had been submitted to the Director General for the delegates of the following 72 Members:

6. It was the consensus of the Committee that in line with past practice those delegates for whom satisfactory credentials had not been received should be allowed to participate in the work of the Conference, on the understanding that satisfactory credentials for each of them would be submitted to the Director General as soon as possible.

7. The Committee recommends the Conference to adopt the following draft resolution:
