(GC (XX)/573)

VOLUNTARY CONTRIBUTIONS TO THE GENERAL FUND FOR 1977

Memorandum by the Director General

1. By 5 p.m. on 23 September 45 Members of the Agency had pledged voluntary contributions to the General Fund for 1977 as shown in the table overleaf.
2. When the Conference takes up this item of its agenda, the President will invite its attention to the contributions to the General Fund for next year that have then been pledged. In order to expedite matters, the delegates of those Members that have not yet made a pledge are invited to communicate their Governments' pledges as soon as possible to the officer who sits during plenary meetings at a table marked "Voluntary contributions" and who will at other times be in an office in the Conference Centre.

Pledges expressed in US dollars at the rate of exchange used for the United Nations Development Programme. One asterisk indicates that the pledge is less than the Member's base rate of assessment (see document GC(XX)/570, column (2) in the draft resolution), applied to the target of \$6 million for voluntary contributions (see document GC(XX)/567, Annex VII, draft resolution B, paragraph 1) two asterisks indicate that the pledge is more than the Member's base rate of assessment.
