Twenty-eighth regular session

THE ANNUAL REPORT FOR 1983

Addenda

1. In the table forming part of paragraph 26, add footnote reference "c/" in the Regular Budget column against the figure of "9000" for "Development of Tc-99^m generator systems" and, below the table, add the following footnote:

c/ Met from cash contributions made by the Government of India."

2. In paragraph 326, after the second introductory hyphen, add "(including Argentina, Austria, Bulgaria, Czechoslovakia, Finland, the German Democratic Republic, India, the Republic of Korea, the Netherlands, Pakistan, Romania, Sweden and Switzerland)" between "other Member States" and "contributed", so that this part of the paragraph reads as follows:

"- Substantial contributions to the safeguards development programme were made by national programmes in support of Agency safeguards. Australia, Belgium, Canada, France, the Federal Republic of Germany, Japan, the Soviet Union, the United Kingdom, the United States of America and the European Community provided support in the framework of formalized support programmes, while other Member States (including Argentina, Austria, Bulgaria, Czechoslovakia, Finland, the German Democratic Republic, India, the Republic of Korea, the Netherlands, Pakistan, Romania, Sweden and Switzerland) contributed through arrangements such as research and development agreements, contracts and test programmes. A first "support programme co-ordinators' meeting" was held with a view to achieving better co-ordination."
