Documents

On working days, the Documents Station will normally be open from 8.30 a.m. until 6.30 p.m. Each delegation will be assigned a special box, where all working documents of the Conference are distributed. Documents in preparation over-night will usually be ready for collection by 8.30 a.m.

The documents distributed before the opening of the Conference will be available in limited quantities only. Participants are therefore requested to bring their own copies to meetings.

Participants are reminded that the use of delegation boxes is restricted to official Agency documents and publications and announcements of official meetings. Official invitations may also be accepted at the Documents Station.

A limited amount of typing can also be arranged for delegations (Second Floor, No. 8).

Mail

Letters and invitations for participants will be put into delegations' distribution boxes at the Documents Station.

Documents Officer

Mr. H. Smids (Ext. 451)

**ACCOMMODATION FOR
REGIONAL AND
PRIVATE MEETINGS**

Arrangements for the use of rooms for regional meetings, and also for private meetings (without interpretation), may be made by applying to Conference Services (Second Floor, No. 12, Ext. 999) or, during meetings, to the Conference Officers.

THE SESSION

THE JOURNAL

Issues of the Journal will appear early in the morning of each working day and will contain the agenda items to be taken at that day's meetings, a forecast for the following day and other notices and announcements of interest to delegations.

DOCUMENTS

The provisional agenda for the session is given in document GC(XXXI)/799 and Add.1 and 2; other documents issued for it are listed in document GC(XXXI)/DOCS/274 and subsequent documents bearing the "GC(XXXI)/DOCS/ " symbol. The Rules of Procedure of the General Conference are to be found in the booklet GC(XXXI)/INF/245.

Delegates wishing to submit draft resolutions or other documents to the Conference are requested to provide the Conference Secretary or the appropriate Committee Secretary with several copies of the text as early as possible.

TIME OF MEETINGS

The opening meeting of the session on Monday, 21 September 1987, will begin at 10 a.m. Unless otherwise decided by the Conference, morning meetings will begin at that time and afternoon meetings at 3 p.m. Delegates are kindly requested to be in their places by those times in order to allow meetings to start punctually. Evening meetings, as and when they become necessary, will be announced during the session.

MEETING ROOMS

Plenary meetings will be held in the Plenary Hall, Conference Room A on the second floor; the Committee of the Whole will meet in Conference Room B also on the second floor, and the General Committee in Meeting Room M on the first floor. The Information Desk will direct participants to the meeting rooms.

In meeting rooms A, B, C, M, N and O, portable radio receivers with which participants can listen to the proceedings will be available. It is particularly asked that these receivers be left behind in the meeting rooms as they must be serviced before they can be used again.

SEATING

At plenary meetings and at meetings of the Committee of the Whole, the first place facing the President or Chairman, and to his right, is accorded to the Member State which has provided the Chairman of the Board of Governors during the past year. Pakistan will accordingly occupy that place, followed by other Member States in English alphabetical order.

SPEAKERS' LIST

In order to facilitate the conduct of business, a speakers' list is kept for the general debate and — where appropriate — for other items in plenary meetings. As was indicated in the "Advance information for delegations" (GC(XXXI)/INF/243 issued on 6 July 1987), the list of speakers for the general debate was opened on 21 July 1987. Any delegates who have not yet inscribed their names on the list but wish to speak in the general debate are requested to contact Ms. L. Huber, the official responsible for maintaining the speakers' list, either in her office — No. 7 on the second floor (Ext. 915 or 916) — or, immediately before and during plenary meetings, at a desk in the Plenary Hall near the foot of the podium. In accordance with the practice followed at previous sessions, efforts will be made to give priority to ministers participating in the general debates.

Delegates wishing to speak on other items in plenary meetings should also inscribe their names at the speakers' list's desks.

TEXTS AND ORAL
PRESENTATIONS OF
GENERAL DEBATE
STATEMENTS

As was indicated in the "Advance information for delegations", it would be greatly appreciated if, as in the past, the texts of statements to be delivered during the general debate were handed to the Conference Officers in advance and if — to enable the Conference to make the best possible use of the time available — delegates kept the duration of their oral presentations down to 15 minutes at the most by confining themselves to the salient points of their statements. The summary records of the general debate will be based on the full statement texts handed to the Conference Officers. Copies of the full texts (in the original language) will, if delegates so request, be made available to other delegates.

It is of considerable help if the texts of statements so provided to the Conference Officers are typed with double-line spacing.

VOLUNTARY CONTRIBUTIONS
TO THE TECHNICAL
ASSISTANCE AND
CO-OPERATION FUND
FOR 1988

To enable up-to-date information to be provided to the General Conference regarding voluntary contributions to the Technical Assistance and Co-operation Fund for 1988, the Contributions Officer, Ms. H. Byler, will be available to receive pledges in her office — No. 5 on the second floor (Ext. 963) — or, immediately before and during plenary meetings, at a desk in the Plenary Hall near the foot of the podium.

**WORKING LANGUAGES AND
INTERPRETATION**

The working languages of the Conference are Arabic, Chinese, English, French, Russian and Spanish, and statements made in any one of these languages will be interpreted simultaneously into the others. If delegates wish to make a speech in a language other than the working languages, they should, under Rule 87 of the Rules of Procedure, themselves arrange for interpretation into one of the working languages and provide the Secretariat with a written text of their speech in advance in that working language.

**RECORDING OF MEETING
PROCEEDINGS**

A participant wishing to listen to the tape recording of a meeting should request the Conference Officers to make the necessary arrangements.

THE AGENCY

**MEMBER STATES AND THE
BOARD OF GOVERNORS**

Comprehensive information on the membership of the Agency, the composition of the Board of Governors, Resident Representatives, etc. is published in English in a booklet entitled "Board of Governors and Permanent Missions of Member States". The latest issue is No. 83 of September 1987, and copies may be obtained from the Documents Station.

**CHAIRMAN OF THE
BOARD OF GOVERNORS**

The Chairman of the Board, Mr. Munir Ahmad Khan, will have an office on the third floor (No. 1, Ext. 420).
