Thirty-fourth regular session
Sub-item 10(b) of the provisional agenda
(GC(XXXIV)/914)

LIABILITY FOR NUCLEAR DAMAGE

Correction requested by Mexico

In paragraph 49 replace the second sentence, "Mexico had participated actively in the first session of the Committee and was fully committed to a strong and effective global system of civil liability" by the following sentence:

"Mexico had participated actively in the first session of the Standing Committee, since it was fully committed to a strong and comprehensive system of international liability for nuclear damage."
