Forty eighth regular session

Item 6 of the provisional agenda
(GC(48)/1)

Contributions to the Technical Cooperation Fund for 2005

1. On 14 September 2004, the Board recommended a target of \$77 500 000 for contributions to the Technical Cooperation Fund (TCF) for 2005.
2. Since the Agency's technical assistance programme depends, for its preparation and execution, on the funds provided by Member States, all Members of the Agency are urged to contribute at the level recommended by the General Conference in paragraph 2 of Resolution GC(V)/RES/100, as amended by Resolution GC(XV)/RES/286, or at least at the rate of attainment level recommended by the Board of Governors in September 2004.
3. The attached table in the annex shows the minimum amount each Member State of the Agency would need to contribute in accordance with the above-mentioned resolutions, namely, the amount that is at least the same percentage of the TCF target as the Member State's base rate of assessment for 2005.
4. Delegates who have not done so are invited to communicate their Governments' pledges as soon as possible to the officer who will be sitting during plenary meetings at a table marked "Contributions" in the Plenary Hall at the Austria Center and who will at other times be in office A-443 on the second floor.
5. It is foreseen that the Conference will consider the matter of contributions pledged to the TCF under item 6 of the provisional agenda. Daily reports on contributions pledged will be issued as the session proceeds for the purpose of keeping the Conference informed of the pledges that Members are making. The total value of the pledges made as at the end of the Conference session will be communicated to the Conference by the President under item 23 of the provisional agenda.
