Item 18 of the Conference's provisional agenda
(GC(49)/1)

Strengthening the Agency's Activities related to Nuclear Science, Technology and Applications

Corrigendum

Delete paragraph 8 of Annex 3 to the document GOV/2005/58-GC(49)/12, and replace with the following:

“8. A proposal to the United Nations Fund for International Partnerships (UNFIP), entitled “Coordinated, Phased Programme for the Creation of Tsetse-Free Zones in Africa: A Prerequisite to Enhance Agricultural Development and to Control Human African Trypanosomosis”, co-financed by the US Department of State was revised based on close interactions of the Agency with AU-PATTEC, Member States, FAO and WHO. Extrabudgetary funding of \$300 000 was secured from UNFIP of which \$150 000 was provided by the US Department of State to support mainly actions preparing for and holding donor meetings, with special emphasis on Ethiopia.”

In paragraph 18 of Annex 2 to the document GOV/2005/58-GC(49)/12 replace “preparatory works at the site have started” with “investigative work required for the environmental impact assessment and nuclear licensing applications have been undertaken”.
