## **Fiftieth regular session**

Item 7 of the provisional agenda  
(GC(50)/1)

# Contributions to the Technical Cooperation Fund for 2007

1. On 11 September 2006, the Board of Governors recommended a target of \$80 000 000 for contributions to the Technical Cooperation Fund (TCF) for 2007.
2. Since the Agency's technical assistance programme depends, for its preparation and execution, on the funds provided by Member States, all Member States are urged to contribute at the level recommended by the General Conference in accordance with paragraph 2 of Resolution GC(V)/RES/100, as amended by Resolution GC(XV)/RES/286, or with paragraph 3 of the former Resolution, as appropriate.
3. The table in the annex shows the minimum amount each Member State would need to contribute in accordance with the above-mentioned resolutions, namely, the amount that is at least the same percentage of the TCF target as the Member State's base rate of assessment for 2007.
4. Delegates who have not done so are invited to communicate their Government's pledge as soon as possible to the officer who will be sitting during plenary meetings at a table marked "Contributions" in the Plenary Hall at the Austria Center and who will at other times be in office A-443 on the second floor.
5. It is foreseen that the General Conference will consider the matter of contributions pledged to the TCF under item 7 of the provisional agenda. Daily reports on contributions pledged will be progressively issued to keep the Conference informed of Member States' pledges. The total value of the pledges made as at the end of the Conference session will be communicated to the Conference by the President under item 25 of the provisional agenda.
