Item 7 of the Board's provisional agenda
(GOV/2008/33)
Item 14 of the Conference's provisional agenda
(GC(52)/1)

Nuclear Security Report 2008
Measures to Protect Against Nuclear Terrorism

Corrigendum

In paragraph 12, the last two lines should read:

“... reactors and critical assemblies) of which 368 were locations outside facilities containing small amounts of nuclear material.”
