## **Fifty-sixth regular session**

Item 12 of the provisional agenda  
(GC(56)/1 and Add.1)

# Scale of Assessment of Members' Contributions Towards the Regular Budget for 2013

1. The Director General submits herewith to the General Conference a draft resolution whereby the Conference may set, in accordance with Article XIV.D of the Statute, the scale of assessment of Members' contributions to the Agency's Regular Budget for 2013. The scale in Annex 1 of the attached draft resolution has been prepared in accordance with the principles and arrangements established by the General Conference<sup>1</sup>. The scale, which is based on the Agency's membership as of the date of this document, has three new Member States compared to last year.
2. It will be noted that the following draft resolution also provides for approval by the General Conference of the base rate of assessment of each Member. This has been derived from the scale used by the United Nations to assess contributions from its Members to its Regular Budget for 2012 and adopted by the General Assembly in resolution A/RES/64/248 on 24 December 2009. The 2012 scale of the United Nations is adjusted by applying a mathematical coefficient to compensate for differences in membership between the Agency and the United Nations.
3. The scale of assessment in Annex 1 of the attached draft resolution is based on the base rate. Five of the Member States (Bahrain, Congo, Dominica, Oman and Papua New Guinea) are not included in the phasing-out process as they became Members after the de-shielding process began and three other Members States in Category 1 (Greece, Republic of Korea and Portugal), that began to be phased out in 2006, reached their full 100% base rate for financing of safeguards in 2012. All of these eight Member States are therefore referred to as "Members participating at base rate" (see Table 3 in the Appendix). The scale takes into account that the partial relief of the safeguards assessments in accordance with GC(47)/RES/5 began to be phased-out for 110 Members in 2008, 3 Members in 2009 and 1 Member in 2011 (see Tables 4–6 in the Appendix). The scale also takes into account that the remaining 32 Members (hereinafter referred to as "unshielded" Members) will contribute on a proportionally increased basis in order to make up the balance of the safeguards expenses (see Table 7 in the Appendix).

---

<sup>1</sup> See resolution GC(III)/RES/50 as amended by resolution GC(XXI)/RES/351, resolution GC(39)/RES/11 as amended by resolution GC(44)/RES/9 and resolution GC(47)/RES/5.

4. The calculations that were made in order to establish both the individual base rates and the resulting scale of assessment are reproduced for the information of the Conference in the Appendix.

5. Under Financial Regulation 5.05, assessed contributions and advances to the Working Capital Fund shall be considered due and payable in full within thirty days of the receipt of the Director General's communication requesting payment of such contributions and advances or as of the first day of the financial year to which they relate, whichever is the later. Member States are urged to inform the Director General by 1 January 2013 as to when their Regular Budget contributions will be paid to the Agency. This information is required to enable the Secretariat to prepare cash forecasts on the basis of which the Agency's programme will be implemented.

Draft resolution

**SCALE OF ASSESSMENT OF MEMBERS' CONTRIBUTIONS FOR 2013**

The General Conference,

Applying the principles it has established for the assessment of Members' contributions towards the Agency's Regular Budget<sup>[\*]</sup>,

1. Decides that the individual base rates and the resulting scale of assessment of Members' contributions to the Agency's Regular Budget for 2013 shall be as set forth in Annex 1 hereto; and
2. Determines, pursuant to Financial Regulation 5.09<sup>[\*\*]</sup>, that in the event of a State becoming a Member of the Agency during the remainder of 2012 or in 2013 it shall be assessed as appropriate:
  - (a) for an advance or advances to the Working Capital Fund, in accordance with Financial Regulation 7.04<sup>[\*\*]</sup>; and
  - (b) for a contribution or contributions towards the Agency's Regular Budget, in accordance with the principles and arrangements the Conference has established for the assessment of Members for such contributions.

---

[\*] By resolution GC(III)/RES/50 as amended by resolution GC(XXI)/RES/351, resolution GC(39)RES/11 as amended by resolution GC(44)/RES/9 and resolution GC(47)/RES/5.

[\*\*] INFCIRC/8/Rev.3.

## A P P E N D I X

### MEMBERS' CONTRIBUTIONS TO THE AGENCY'S REGULAR BUDGET FOR 2013

#### The computation of the individual Regular Budget assessments

1. As a first step in computing the individual Regular Budget assessments, the Agency's Regular Budget for 2013 is divided into a **safeguards component** and a **non-safeguards component**<sup>2</sup> as described below:

- (a) The safeguards component amounts to €105 468 942 plus \$26 657 787 (€132 126 729 at an exchange rate of \$1.00 to €1.00). The basis for the calculation of the safeguards component is shown in **Table 1**. As can be seen from the table, this component comprises the budgetary requirements for the operational and capital portions for all of Major Programme 4 (Nuclear Verification). An amount of €185 000 has been estimated as recoverable income under safeguards agreements with non-Member States during 2013<sup>3</sup> and was subtracted from the total. Also, Table 1 shows the distribution of the safeguards assessment between "contributions of Members participating at base rate" as well as "shielded" and "unshielded" Members.
- (b) The non-safeguards component refers to all other programmes and amounts to €173 232 645 plus \$37 655 856 (€210 888 501 at an exchange rate of \$1.00 to €1.00).

Adding these two components, the total assessment proposed amounts to €278 701 587 plus \$64 313 643, which, at an exchange rate of \$1.00 to €1.00, amounts to €343 015 230<sup>4</sup>.

2. The next step is to derive a base rate of assessment for each Member of the Agency on the basis of the scale used by the United Nations to assess contributions from its Members to its budget for the year 2012<sup>5</sup>.

3. As will be seen from **Table 2**, the United Nations percentage assessments for Members of the Agency that are also Members of the United Nations amount to 99.812% and the United Nations rate of assessment for the other Member of the Agency not a Member of the United Nations amounts to 0.001%. The total figure of 99.813%, obtained by adding these two percentages, is multiplied by a coefficient to establish the base rates of assessment for all Member States of the Agency, which will give a total of exactly 100%. In accordance with the principles established by the General Conference<sup>6</sup>, however, the coefficient is not applied in the case of the Member bearing the highest United Nations assessment or of the 15 Members bearing the lowest United Nations assessment. The coefficient is therefore calculated as follows:

---

<sup>2</sup> See GC(39)/RES/11, as amended by GC(44)/RES/9 and GC(47)/RES/5.

<sup>3</sup> See document GC(56)/4, "The Agency's Budget Update for 2013", Table 2

<sup>4</sup> See document GC(56)/4, "The Agency's Budget Update for 2013", Draft Resolution for 2013 A.

<sup>5</sup> See General Assembly resolution A/RES/64/248 (December 2009).

<sup>6</sup> See resolution GC(III)/RES/50, sub-paragraph (a) of the operative paragraph.

	<u>United Nations</u> <u>percentage assessments</u>	<u>Agency</u> <u>base rate of assessment</u>
Total	99.813	100.000
Less: For the Member bearing the highest assessment	22.000	25.000
For the 15 Members bearing the lowest assessment (15 x 0.001)	<u>0.015</u>	<u>(22.015)</u>
Totals for calculation of the coefficient	77.798	74.985

$$\text{Coefficient} \quad \frac{74.985}{77.798} = 0.9638423$$

4. It is now necessary to determine the respective shares of the **safeguards component** to be borne by the “**shielded**” Members. In accordance with the Revised Arrangements for the Assessment of Members’ Contributions towards the safeguards component of the Agency’s Regular Budget set forth in sub-paragraph 1(c)(i) of GC(39)/RES/11 as amended by sub-paragraph B.(iii) of resolution GC(44)/RES/9 and GC(47)/RES/5, the phasing-out of the current shielding system began in 2006 and in accordance with that system the percentages of the “shielded” Members’ base rates will gradually increase to contribute towards the actual amounts budgeted for the safeguards component (see **Table 1**).

5. As five Members that are not LDCs joined the IAEA after the de-shielding process began, these Members’ shares to the safeguards component, together with three Members’ shares that were in the shielded Category 1, for whom the de-shielding period ended in 2012, have been computed at their full base rates, as shown in **Table 3**.

6. In accordance with sub-paragraph 1(d)(i) of General Conference resolution GC(39)/RES/11, as amended by resolution GC(44)/RES/9 and GC(47)/RES/5, the “shielded” Members were divided into four categories. The Members in each category will have their annual contributions to the safeguards component increased proportionately each year until the end of the de-shielding period, which for Category 1 is 7 years, Category 2 is 12 years, Category 3 is 17 years and Category 4 is 25 years. As de-shielding already began in 2006 for Member States that were in Category 1, the respective shares of these Members are determined by applying 100% of their base rate to the safeguards component and they are moved to **Table 3**. The respective shares of the Members in Category 2, Category 3 and Category 4 are determined by applying 75%, 67.647% and 62% of their base rate, respectively, to the safeguards component. This information is provided in **Table 4, Table 5 and Table 6**.

7. The remaining safeguards expenses are borne by 32 “**unshielded**” Members, as shown in **Table 7**. Columns (3) and (4) show the amounts that have to be paid by each “unshielded” Member as a result of proportionally increasing the base rate of assessment in such a way that the total contributions make up the balance of the safeguards assessment.

8. Each Member’s share in the **non-safeguards component** is calculated by applying its base rate of assessment to the total non-safeguards component.

9. For the convenience of Member States, **Table 8** shows each Member’s share in the non-safeguards and the safeguards components, as well as the resulting **total assessment and percentage assessment**.
