

Highlights of the International Nuclear Library Network (INLN)

2017

New members

- Institute for Nuclear Research Pitesti (ICN), Romania
- Sudan Atomic Energy Commission (SAEC), Sudan
- CERN Scientific Information Service, Switzerland
- Marie Curie Library - The Abdus Salam International Centre for Theoretical Physics, Italy

Activities

- Participants of the International Nuclear Information System (INIS) training seminar were briefed on benefits of joining the INLN, 12 October 2017, Vienna Austria
- Launch of new INLN website, November 2017

2016

New members

- SCK•CEN – Belgian Nuclear Research Center, Belgium
- Nuclear Research Centre Negev, Israel
- Centre for Energy, Environmental and Technological Research (CIEMAT), Spain

Activities

- 5th INLN Members Meeting held in Vienna, Austria on 5 October 2016

2015

New members

- St. Cyril and Methodius National Library of Bulgaria, Bulgaria

2014

New members

- Document Control Section, International Thermonuclear Experimental Reactor (ITER), France
- Nuclear Energy Department, Ministry of Economy, Poland

Activities

- Article highlighting the IAEA Library's future directions, including challenges and opportunities of the INLN, published in the August 2014 edition of the Nuclear Information Section Newsletter
- 4th INLN Members Meeting held in Vienna, Austria on 15 October 2014

2013

New members

- Tajoura Nuclear Research Centre, Libya
- Khlopin Radium Institute, Russian Federation
- Institute for Applied Systems Analysis (IIASA), Austria
- Centre of Marcoule - French Alternative Energies and Atomic Energy Commission (CEA), France
- National Atomic Energy Library, Thai Nuclear Information Service (TNIS), Thailand
- Kenya National Academy of Sciences, Kenya
- Kenyan Nuclear Electricity Board, Kenya

Activities

- INLN Web Coordination Group established in order to increase coordination and collaboration among the network's libraries
- Article entitled "The International Nuclear Library Network (INLN): Achievements in 2012" published in the June 2013 edition of the Nuclear Information Section Newsletter

2012

New members

- Centro de Documentación e Información Isabel Gonzalez, Argentina
- Department Information Center - Eduardo J. Savino Library, Argentina
- Biblioteca Leo Falcov - Nuclear Library Network of Argentina, Argentina
- Biblioteca CNEA Departamento Asistencia Técnica Córdoba, Argentina
- Legal Documentation and Information (SDell), Argentina
- Institute for Environmental Science and Research, New Zealand
- Nuclear Energy Regulatory Agency of Indonesia (BAPETEN), Indonesia

Activities

- INLN joins the Association of European Research Libraries and the Special Libraries Association
- 3rd INLN Members Meeting held in Vienna, Austria, on 5 October 2012

2011

Activities

- INLN Coordinator published updates on INLN activities: In total, information requests among INLN members increased by 55.6% in the previous year. Requests for electronic and print documents and submission of research questions to reference librarians were the most significant information services shared between the participating nuclear libraries

2010

New members

- Pakistan Institute of Nuclear Science and Technology (PINSTECH), Pakistan
- Norwegian Radiation Protection Authority, Norway
- Nuclear Regulatory Authority of Argentina, Argentina

Activities

- 2nd INLN Members Meeting held in Vienna, Austria on 28 October 2010

2009

New members

- Centre of Cadarache - French Alternative Energies and Atomic Energy Commission (CEA), France
- Austrian Central Library for Physics and Chemistry, Austria
- Paris-Saclay Centre - French Alternative Energies and Atomic Energy Commission (CEA), France

Activities

- Article entitled “International Nuclear Library Network and its accomplishments in 2008” published in the June 2009 edition of the Nuclear Information Section Newsletter

2008

New members

- International A. Sakharov Environmental University, Belarus INIS Center, Belarus
- Egyptian Atomic Energy Authority (EAEA), Egypt
- Ghana Atomic Energy Commission (GAEC), Ghana
- Bhabha Atomic Research Centre (BARC), India
- Environmental Protection Agency, Ireland
- Korea Atomic Energy Research Institute (KAERI), Republic of Korea
- National Center for Energy Sciences and Nuclear Techniques (CNESTEN), Morocco
- Vinča Institute of Nuclear Sciences, Serbia
- National Center for Nuclear Sciences and Technologies (CNSTN), Tunisia
- Biblioteca do Centro Regional de Ciências Nucleares do Centro-Oeste - CRCN-CO), Brazil
- Biblioteca do Centro Regional de Ciências Nucleares do Nordeste - CRCN-NE, Brazil
- Biblioteca do Instituto de Engenharia Nuclear – IEN, Brazil
- Biblioteca Terezine Arantes Ferraz do Instituto de Pesquisas Energéticas e Nucleares – IPEN, Brazil
- Biblioteca do Instituto de Radioproteção e Dosimetria – IRD, Brazil
- Biblioteca do Centro de Desenvolvimento da Tecnologia Nuclear – CDTN, Brazil
- Nuclear Information Centre – CIN CNEN, Brazil
- National Institute of Nuclear Research, Information and Documentation Centre, Mexico

- Japan Atomic Energy Agency (JAEA), Japan
- Nuclear Research Institute Rez plc, Czech Republic

Activities

- 1st INLN Members Meeting held in Vienna, Austria in November 2008
- Article entitled "International Nuclear Library and its achievements in 2007" published in the March 2008 edition of the Nuclear Information Section Newsletter

2007

New members

- Nigerian Nuclear Regulatory Authority (NNRA), Nigeria
- China Nuclear Information Center, China
- International Center Nuclear Education (ICNE), Russian Federation
- National Research Nuclear University Obninsk (MEPhI) NRNU-IATE, Russian Federation

Activities

- Briefing on the INLN was provided at a seminar organized by the China INIS Centre, Beijing, July 2007
- Section Head, IAEA Library met with Mr. Victor M. Murogov, Director RANSE, Mr. Vladimir V. Artisyuk, Deputy Rector (International Affairs), Obninsk State Technical University for Nuclear Power Engineering, Mr. Stanislav Chernitsa, Project Manager, Foreign Affairs, State Central Institute for Continuing Education and Training in order to discuss future cooperation possibilities between the mentioned institutions and INLN in June 2007
