COMMUNICATIONS RECEIVED FROM CERTAIN MEMBER STATES REGARDING GUIDELINES FOR THE EXPORT OF NUCLEAR MATERIAL, EQUIPMENT AND TECHNOLOGY

A further communication, dated 16 September 1989

1. On 10 October 1989 the Director General received a Note Verbale dated 16 September 1989 from the Permanent Mission of Belgium relating to the export of nuclear material, equipment or technology.
2. As requested, the text of the Note Verbale is reproduced below for the information of all Member States.

The Permanent Mission of Belgium presents its compliments to the Director General of the International Atomic Energy Agency, and, with reference to its communications contained in document INFCIRC/254, has the honour to inform him that letter VI has no further application.

The royal decree implementing the Belgian law of 9 February 1981, relating to conditions for the export of nuclear materials and equipment as well as information relating to nuclear technology, entered into force on 15 September 1989 and now enables the Government of Belgium to implement fully the principles for technology transfer set out in the documents contained in the Appendix to document INFCIRC/254.
