# Communication dated 24 October 2016 received from the Permanent Mission of Canada concerning the Statement of Principles of the Nuclear Security Contact Group

## Addendum

### Communication received from the Permanent Mission of the State of Qatar

1. The Secretariat has received a communication dated 6 July 2018 from the Permanent Mission of the State of Qatar concerning the Statement of Principles of the Nuclear Security Contact Group, as contained in INFCIRC/899.
2. As requested, the communication is herewith circulated for the information of all Member States.

Permanent Mission of the  
State of Qatar to the  
International Organizations  
Vienna

Date: 6 July 2018

The Permanent Mission of the State of Qatar to the International Organizations in Vienna presents its compliments to the Secretariat of the International Atomic Energy Agency and has the honour to provide the following information concerning the State of Qatar's commitments to nuclear security.

Recognizing the importance of sustained national, regional and international action on nuclear security, as well as the need to advance the implementation of nuclear security commitments and build a strengthened, sustained and comprehensive global nuclear security architecture, Qatar declares its commitment to the goals set out in the Statement of Principles of the Nuclear Security Contact Group (INFCIRC/899) and wishes to contribute to the advancement of the group's work.

The State of Qatar requests that the Secretariat of the International Atomic Energy Agency circulate the text of this note verbale to all Member States of the Agency for their information.

The Permanent Mission of the State of Qatar to the International Organizations in Vienna avails itself of this opportunity to assure the Secretariat of the International Atomic Energy Agency of its highest consideration.
