# Communication dated 19 April 2018 received from the Permanent Representation of Luxembourg concerning the Joint Statements on Strengthening the Security of High Activity Sealed Radioactive Sources and Minimising and Eliminating the Use of Highly Enriched Uranium in Civilian Applications

1. The Secretariat has received a communication dated 19 April 2018 from the Permanent Mission of Luxembourg concerning the *Joint Statement on Strengthening the Security of High Activity Sealed Radioactive Sources* contained in INFCIRC/910, and the *Joint Statement on Minimising and Eliminating the Use of Highly Enriched Uranium in Civilian Applications* contained in INFCIRC/912.
2. As requested, the communication is herewith circulated for the information of all Member States.

183/18

Vienna, 19 April 2018

The Permanent Representation of Luxembourg to the International Organisations in Vienna presents its compliments to the Secretariat of the International Atomic Energy Agency and has the honour to inform that Luxembourg would like to subscribe the following Joint Statements:

- **INFCIRC/910** – Joint Statement on Strengthening the Security of High Activity Sealed Radioactive Sources (HASS), dated 20 January 2017
- **INFCIRC/912** – Joint Statement on Minimising and Eliminating the Use of Highly Enriched Uranium in Civilian Applications

The Permanent Representation of Luxembourg to the International Organisations in Vienna kindly requests such official communication be circulated as an INFCIRC document to all Member States.

The Permanent Representation of Luxembourg to the International Organisations in Vienna avails itself of this opportunity to renew to the Secretariat of the International Atomic Energy Agency the assurances of its highest consideration.

Secretariat  
International Atomic Energy Agency  
Vienna
